GRADE A FEAST MENU

Here's what you need to know about today. You have your table for about an hour so that we can serve as many people as possible! Your food will come out quite quickly.

You can choose one curry from the menu below and it will be served with a Pilau Rice or a Plain Naan. You can add extras as you wish but only from the priced menu overleaf. Drinks can be ordered from the Drinks Menu on your table. Sadly, desserts aren't available today, but the curry and rice are full portions and they'll speak for themselves... we just want you to enjoy our curries at a low price!

Oh, by the way, we can't swap out items on the menu, this helps us get the food to you quickly!
